

Kedou's Dotty Game: Pictures Can Be Made of These.....

Thinking about Dots:

What does the picture on the left remind you of?

What does a dot sound like?

Join 2 dots. What do they become?

How would a line sound like?

Make as many pictures as you like with dots and lines.

Can you dance like a dot, like a line?

*Look up at the sky at night.
What do the stars look like to you?*
